Governor's Office of Information Technology

Real-time Billing Dispute Policy

Document ID	POL-FIN-001
Title	Real-time Billing Dispute Policy
Executive Sponsor	David Edinger, Chief Information Officer & Executive Director
Issuing Authority	Governor's Office of Information Technology (OIT)
Applies to	All Colorado state agencies utilizing OIT common policy services and participating in the Real-time Billing (RtB) process.
Instrument Type	Policy
Version	1.0
Effective Date	05/05/2026
Last Updated	05/05/2026

1. Purpose

To establish a policy for agencies to dispute Real-time Billing (RtB) charges and request changes during the billing process, and to ensure open and regular communication between the Office of Information Technology (OIT) and agencies to identify, track, and resolve RtB billing and utilization corrections quickly and accurately.

2. Policy

It is the policy of OIT to provide agencies with monthly RtB invoices and data using the RtB website. Agencies are recommended to confirm that the items billed are being consumed and utilized by the agency. If corrections are needed, agencies must submit a request to OIT through the formal dispute form on the RtB website. OIT and agencies must comply with the responsibilities, processes, and timelines described in the Real-time Billing Dispute Procedure.

3. Applicability

This policy applies to all Colorado state agencies utilizing OIT common policy services and participating in the RtB process.

5. Definitions

Reference the Real-time Billing Dispute Procedure for definitions.

6. Responsibilities

Reference the Real-time Billing Dispute Procedure for responsibilities.

7. Compliance

RtB disputes and change request submissions that do not comply with this policy and follow the associated Real-time Billing Dispute Procedure will not be processed.

8. Expiration

This policy remains in effect until superseded or rescinded by fiscal rule or OIT policy revisions.
