1. Authority

Executive Order 2016-06, Enterprise Information Technology Governance

2. Document Control

This policy replaces, in its entirety, the *Office Productivity Policy*, dated July 01, 2025.

3. Purpose

This Information Technology Policy (ITP) establishes and maintains the enterprise-wide policy and standards for office productivity technologies.

4. Scope

This policy applies to all offices, departments, boards, commissions, and councils under the Governor's jurisdiction and any other entity connecting to the Commonwealth Network (hereinafter referred to as "agencies").

5. Policy

For definitions of terms found within this document, refer to the *IT Policy Glossary*.

Agencies shall standardize on the current Office Productivity Software identified in the *Office Productivity Standard*. The current standards have been tested for compatibility with enterprise applications.

6. Contact

Questions or comments may be directed via email to OA, IT Policy.

7. Exception from Policy

In the event an agency chooses to seek an exception from this policy, a request for a policy exception shall be submitted via the IT policy exception process. Refer to *IT Policy Governance* for guidance.
