PHYSICAL MEDIA

WyIT - 3015

PURPOSE: This policy ensures that Information Technology (IT) controls access to and disposes of media resources in compliance with IT security policies, standards, and procedures.

I. APPLICABILITY

This policy applies to all Executive Branch agencies, boards, and commissions staff (collectively referred to as "agencies"). This policy is also applicable to consultants, affiliates, and temporary employees.

II. DEFINITIONS

All definitions for this policy are located in the Policy Dictionary.

III. EXCEPTIONS

Any exceptions provided to the following policy must abide by the WyIT - 3002 - Security Exception Request policy.

IV. MEDIA ACCESS

All applicable agencies and/or affiliates identified in the scope of this policy shall:

- Restrict access to digital media storage devices to authorized users with a valid need to know.
- Mark information system media indicating the distribution limitations, handling caveats, and applicable security markings of digital and non-digital information media.

V. MEDIA STORAGE

All applicable agencies and/or affiliates identified in the scope of this policy shall:

- Specify that staff will physically control and securely store media within defined controlled areas.
- Protect information system media until the media are destroyed or sanitized using approved equipment, techniques, and procedures.

VI. MEDIA TRANSPORT

All applicable agencies and/or affiliates identified in the scope of this policy shall:

- Protect and control media during transport outside of controlled areas.
- Maintain accountability for information system media during transport outside of controlled areas.
- Document activities associated with the transport of information system media.
- Restrict the activities associated with the transport of information system media to authorized personnel.

VII. MEDIA SANITIZATION

All applicable agencies and/or affiliates identified in the scope of this policy shall:

- Sanitize prior to disposal, release out of organizational control, or release for reuse in accordance with applicable federal and organizational standards and policies.
- Employ sanitization mechanisms with the strength and integrity commensurate with the security category or classification of the information.

VIII. MEDIA USE

All applicable agencies and/or affiliates identified in the scope of this policy shall:

- Prohibit the use of information system media on affiliate-owned equipment using unapproved security safeguards.

- The Governor and/or the CIO may choose to implement specific restrictions via Executive Order or additional methods.

REFERENCES: This policy has no supporting references to websites, other policies, or federal or state statutes.
