OPR: WVOT Outreach and Communications

COMPLIANCE WITH THIS PUBLICATION IS MANDATORY

Publications are available online at
https://sites.google.com/wv.gov/othub/policy-governance/ot-policies

Questions and change recommendations related to this publication shall be directed to this publication's Office of Primary Responsibility (OPR). This policy shall be reviewed annually to ensure continued alignment with current legal, operational, and strategic requirements. Revisions will be undertaken as necessary.

SUMMARY OF VERSIONS AND CHANGES

Version	Date	Revision Description
1	11/03/2008	New Issue
2	07/01/2015	Added Log History, Definitions, Authority & Enforcement, Compliance
3	09/01/2016	Reviewed - No Changes
4	10/20/2017	Reviewed - No Changes
5	12/27/2023	Updated website information in para. 3.2
6	DRAFT	Reformatted, renamed, and did a complete rewrite

1. PURPOSE

1.1. This policy establishes the West Virginia Office of Technology(WVOT) publications program. It outlines requirements for the format, content, management, maintenance, and distribution of WVOT policies, procedures, plans, and other official publications.

2. SCOPE

2.1. This policy applies to all the West Virginia Office of Technology and all publications within the WVOT.

2.2. Where there are policies in place which provide less restrictions or security than this policy, those policies will be superseded by this policy. In instances where existing state and federal laws, regulations, and policies are more restrictive, the more restrictive provisions will prevail.

3. POLICY

3.1. WVOT Responsibilities

3.1.1. The WVOT is responsible for establishing and coordinating IT and Cybersecurity publications to include policies, procedures, plans, standards, and other documentation for the Executive Branch of State Government.

3.1.1.1. Final authority for WVOT policies falls to the WVOT Chief Information Officer(CIO).

3.1.2. The Publications Team within the WVOT Communications and Outreach Unit is responsible for coordinating the development of new and review and maintenance of current IT and Cybersecurity publications. This Unit works closely with the WVOT CIO, writers, technical subject matter experts, OPRs, and functions that fall within the scope of the publication.

3.1.3. The WVOT is responsible for maintaining a central library of publications and ensuring availability by all current State employees within the scope of said publications.

3.1.4. The WVOT is responsible for developing and maintaining publications in accordance with this policy to provide consistency and standardization.

3.2. Agency Responsibilities

3.2.1. Each agency is responsible for ensuring their agency's compliance with all WVOT publications.

3.2.2. Agencies may establish more, but not less, stringent publications and supplements; however, duplication of content should be avoided.

3.2.2.1. Agency IT and Cybersecurity publications and supplements should be submitted to the WVOT for review and awareness.

3.2.3. Agency representatives in the Information Technology Advisory Council (ITAC) will review and provide feedback on new and revised WVOT publications primarily through the ITAC Chat Space and other communications channels..

3.3. Creation, Review, Maintenance, and Changes

3.3.1. Format Standardization

3.3.1.1. This policy, WVOT-PO1000 WVOT Policy, Procedure, and Plan Development, will serve as the formatting template for all WVOT publications.

3.3.1.1.1. The header and footer format for all new policies will mirror those used in this policy.

3.3.1.1.2. The main body text of all new policies will be in Arial 12 font.

3.3.1.1.3. Policy numbering schema will be as follows:

WVOT-PO1000

- First four characters represent WV Office of Technology
- Next two characters are either PO for policy or PR for procedure of PL for plan.
- Last four characters are a unique four digit number specific to each individual publication

3.3.1.1.4. All policies, procedures, and plans will have the following sections at a minimum:

- Summary Of Versions And Changes
- Purpose
- Scope
- Policy, Procedure, or Plan (main body)
- Policy, Procedure, or Plan Specific Definitions
- Relevant Materials And Documents

3.3.2. Triggers are situations and/or circumstances that necessitate the creation of a new publication or the review and/or change to existing publications.

3.3.2.1. Recognition of a need (for example, legislative requirement,

audit outcomes, higher level law/policy changes).

3.3.2.2. Changes in strategic direction and/or plans.

3.3.2.3. Identification of content gaps, overlaps, or inconsistencies.

3.3.2.4. The review date of the policy or procedure, usually an annual review requirement that is 365 days from the Revised Date on the publication..

3.3.3. Creation

3.3.3.1. IT and Cybersecurity publications are typically initiated by the WVOT but any Executive Branch State agency or employee can propose the creation or change of a policy or procedure.

3.3.3.1.1. New publications can be proposed through the Intergovernmental Relationship Managers(IRMs). and changes to existing publications can be proposed through the Office of Primary Responsibility(OPR) of the publication or the IRMs.

3.3.3.2. When the creation of a publication is deemed necessary, the WVOT will designate an OPR to assume responsibility and ownership of the policy/procedure/plan..

3.3.3.2.1. OPRs are usually the workcenter or section of the primary service provider for the service(s) governed by the publication.(example Cyber Security is the OPR for IT security publications)

3.3.3.2.2. OPR is always a section or office, never an individual by name.

3.3.3.2.3. OPRs write the draft policy/procedure and coordinate with other writers, contributors, technical subject matter experts, and other service providers that may be impacted or affected by the new publication.

3.3.3.2.4. OPRs work with the Publications Team to ensure proper formatting.

3.3.3.2.5. To ensure consistency and standardization, the WVOT has established a template with a standardized format for publications to facilitate the adoption of clear, concise, and consistent publications.

3.3.3.3. Emergency and/or Temporary Policies and Procedures

3.3.3.3.1.1. Under extenuating circumstances, the WVOT CIO may need to set emergency or temporary policy or procedures, which will take effect immediately.

3.3.3.3.1.2. Emergency/Temporary policies and procedures do not require full coordination and review. The CIO can implement an emergency or temporary policy or procedure at their discretion.

3.3.3.3.1.3. The emergency and temporary publication will remain in effect for 180 calendar days from the date signed by the CIO. The date may be extended as necessary.

3.3.4. Reviews

3.3.4.1. Existing publications will be reviewed annually.

3.3.4.2. A typical annual review is conducted by the OPR(s) for each publication in coordination with the Publication Team.

3.3.4.2.1. The Publications Team notifies the OPR(s) when a review is due. (usually 11 months after the last revision date)

3.3.4.2.2. Review Completion will be documented in the Summary of Versions and Changes Table on page 1 of each publication.

3.3.4.2.3. The OPR reviews the publications for currency and accuracy and notifies the Publications Team that the publications is either Current, Needs Updated, or Needs Rescinded.

3.3.4.2.3.1. Current Publications are updated with the new Revised Date and reposted to the library.

3.3.4.2.3.2. Publications that Need Changed and updated are revised by the OPR(s) and any other necessary Subject Matter Experts (SMEs) and then provided to the Publications Team for coordination and approval by the CIO.

3.3.4.2.3.3. Publications that Need Rescinded are provided

to the Publications Team for coordination and approval by the CIO.

3.3.5. Changes

3.3.5.1. Changes can be proposed through the publication's Office of Primary Responsibility(OPR), found near the top of the first page of the publication or through .Intergovernmental Relationship Managers(IRMs).

3.3.5.2. The OPR(s) in collaboration with applicable WVOT SMEs will consider proposed changes to publications and formulate a new draft version of the publication.

3.3.5.3. Customer agencies affected by draft publications will be given an opportunity to provide input through the Information Technology Advisory Council (ITAC). Feedback is usually solicited through the ITAC Chat Space by the WVOT Publications Team..

3.3.5.4. All draft publications with new changes require final approval from the WVOT CIO.

3.3.5.5. When changes to a publication are completed, finalized, and approved, the WVOT Policy Team will post the new or updated publication to the WVOT library.

3.3.6. Maintenance

3.3.6.1. Approved policies and procedures are maintained in the WVOT Central Publication Library on the WVOT Extranet.

3.3.6.2. Approved policies and procedures remain in effect and are only current until replaced at the release of a new or modified document or permanently rescinded.

3.3.6.3. Previous versions of existing policies and rescinded policies are maintained on the WVOT shared drive under WVOT-Policies, Standards, Processes & Guidelines.

3.4. Policy and Procedure Notification Communications

3.4.1. Any new, changed, or temporary policies or procedures that materially affects the usage rights or responsibilities of employees will be communicated to affected agencies to include all WVOT staff.

3.4.1.1. Communications methods include email, chat spaces, ITAC member notification, and IRM contacts notification. Any or all channels will be used depending on the situation while giving consideration to subject matter, urgency, and time sensitivity.

3.4.1.2. Primary notification method will be email through the WVOT Communications Team.

4. POLICY SPECIFIC DEFINITIONS

4.1. Chief Information Officer (CIO) - the person designated by the governor to lead the WV Office of Technology and oversee information technology practices and initiatives for the Executive Brand of WV State government, excluding the constitutional officers.

4.2. Chief Information Security Officer (CISO) - Person designated by the CIO to oversee information security practices and initiatives for the Executive Branch of WV State government, excluding the constitutional officers.

4.3. Information Technology Advisory Council (ITAC) - interactive forum for West Virginia Agencies to discuss technology-related decisions on items that have the potential to have an impact on the enterprise from either an operational or functional perspective.

4.4. Intergovernmental Relations Manager (IRM) - dedicated point of contact, assigned to support each agency's unique technology needs and serve as advocates and subject matter experts, ensuring seamless communication and collaboration between agencies and The WVOT.

4.5. Office of Primary Responsibility (OPR) - The primary section within WVOT that takes the lead on a specific policy or procedure. Usually the WVOT service provider/owner that the policy is related to or governs.

4.6. Procedure – A defined series or sequence of steps followed in a definite regular order ensuring the consistent and repetitive approach to actions.

4.7. Subject Matter Expert(SME) - Someone with extensive, specialized knowledge and experience in a particular area, process, or topic.

4.8. West Virginia Office of Technology (WVOT) - The division of the Department of Administration established by WV Code § 5A-6-4a, et. seq., which is led by the State's CIO and designated to acquire, operate, and maintain the State's technology infrastructure. The WVOT is responsible for evaluating equipment and services, and reviewing information technology contracts.

4.9. WVOT Communications Team - work unit in WVOT tasked with formalizing and standardizing communications via email. Chat, websites, graphics, and branding.

4.10. WVOT Extranet - website(s) and hub that is open to all users on the Executive Domain but not the general public.

4.11. WVOT Policy Team - team within the WVOT Communications and Outreach work unit responsible for coordinating the development of new, and the review and maintenance of current, WVOT policies and procedures.

5. RELEVANT MATERIALS AND DOCUMENTS

5.1. WV Code §5A-6-4. Powers and duties of the Chief Information Officer generally.
