Data Protection for Electronic Government Services

WyIT.2002

Policy Owner	Drew Dilly, Chief Data Officer
Policy Contact	Pat Potter, Deputy Chief Data Officer
Policy Approver	Jeff Clines, Chief Information Officer
Effective Date	
Next Review Date	October 01, 2027
Policy Version	

Scope:

This policy governs proper information classification, protection, and handling of State of Wyoming information, regardless of format (e.g., written and/or electronic), using a domain-based approach. It establishes the foundation for protecting information based on sensitivity, ensuring regulatory compliance, and implementing appropriate controls throughout the information lifecycle.

This policy serves as the state baseline. Agencies may implement more restrictive policies to meet applicable state and federal regulations or agency-specific requirements, provided they do not deviate substantially from this policy. In lieu of agency-specific policies, this policy shall serve as the governing standard.

Authority

This policy is promulgated under the authority of Wyoming State Statute 9-2-2906 and its subsections, the Department of Enterprise Technology Services is required to adopt and enforce information technology standards, and promote efficient use of information technology throughout state government.

Specifically, this policy is further promulgated under the authority of the below listed Wyoming State Statute subsections.

- Implements and maintains an information technology governance program for state agencies (W.S 9-2-2906,(b), (ii));
- Establishes and enforces data security and privacy policies and standards for the state data infrastructure Establishes review criteria for the agencies information technology projects, procurements and purchases. (W.S 9-2-2906,(b), (iii)); and

Adopts information technology policies and standards and ensures agency compliance with those policies and standards (W.S. 9-2-2906,(b), (vi)).

Audience

This policy applies to all Executive Branch agencies, boards, and commissions staff (collectively referred to as "agencies"). This policy is also applicable to consultants, affiliates, third party vendors and temporary employees that use or store data.

Definitions

Key Definitions, Acronyms, and Terms

Policy Statements:

1. This policy does not supersede any State or Federal regulation and does not override, waive, or provide exemption from the requirements of the Wyoming Public Records Act. Agencies remain fully obligated to comply with all legal requirements while implementing appropriate privacy safeguards for exempt information.
   [1], [2], [3]

2. Upon request, information about their data protection practices, including privacy policies, data use statements, and citizen rights.

   2.1. Requests for specific technical security implementations, system architectures, or detailed protection methods must be reviewed by agency staff in consultation with ETS security office before releasing the information to ensure disclosure would not compromise security.

   2.2. Agencies may deny requests that could facilitate unauthorized access or compromise system security.

   [2], [4], [5], [6]

Applicable State Policies, Federal, State or Industry Rules, Laws, and/or Regulations

1. National Institute of Standards and Technology (NIST) SP 800-100
2. National Institute of Standards and Technology (NIST) SP 800-53, Rev 5
3. Wyoming Statute .S. 16-4-201 through 205
4. National Institute of Standards and Technology (NIST) Privacy Framework
5. WyIT.2011, Wyoming State Data Collection, Transparency and Consent
6. FTC Fair Information Practice Principles: Notice/Awareness

Compliance & Exceptions:

Compliance

Employees who violate this policy may be subject to appropriate disciplinary action up to and including discharge as well as both civil and criminal penalties. Non-employees, including, without limitation, contractors, may be subject to termination of contractual agreements, denial of access to IT resources, and other actions as well as both civil and criminal penalties.

Exceptions

Requests for exceptions to this policy shall be reviewed by the Chief Information Security Officer (CISO) and the Chief Information Officer (CIO). Departments requesting exceptions shall provide such requests to the CIO in accordance with WyIT.3002 Policy Exception Request.

The request should specifically state the scope of the exception along with justification for granting the exception, the potential impact or risk attendant upon granting the exception, risk mitigation measures to be undertaken by the IT Department, initiatives, actions and a time-frame for achieving the minimum compliance level with the policies set forth herein. The CIO shall review such requests; confer with the requesting department.

Any exception to established policy shall be defined and tracked as a risk to the state and established mitigating controls monitored by the agency.

Review/Approval:

Date Issued/Review Date

This policy shall be reviewed at least annually and updated / reviewed / approved as defined in the Office of Chief Information Officer (OCIO) Policy lifecycle.

The review and update process shall be coordinated by Governance, Risk and Compliance (GRC), completed by the policy owner and approved through the OCIO policy review workflow.

Approval

This policy as signed by the appropriate officer (listed below) is considered approved and enforced, per Wyoming State Statutes (W.S 9-2-2906,(b), (iii)) and (W.S. 9-2-2906,(b), (vi)).
