1. Authority

Executive Order 2016-06, Enterprise Information Technology Governance

2. Document Control

This document replaces, in its entirety, the *Enterprise Resource Planning (ERP) Management Policy*, dated January 6, 2025.

3. Purpose

This document establishes enterprise-wide standards and policy for the Enterprise Resource Planning (ERP) System and its modules.

4. Scope

This policy applies to all offices, departments, boards, commissions, and councils under the Governor's jurisdiction and any other entity connecting to the Commonwealth Network (hereinafter referred to as "agencies").

5. Policy

For definitions of terms found within this document, refer to the *IT Policy Glossary*.

Agencies shall leverage the Commonwealth ERP System for the functionality outlined in the Integrated Enterprise System Office (IESO) catalog, which is summarized in the *Enterprise Resource Planning (ERP) Guideline*. Agencies seeking to implement any of the functionality outlined in the *Enterprise Resource Planning (ERP) Guideline* or the IESO catalog shall adhere to the process outlined in the *IT Project and Procurement Policy* for the creation and submission of an IT Project Request in the enterprise project management system. Requests to leverage the ERP

solution are reviewed by the IESO who will engage the Agency requestor and the Business Process Owner as needed.

6. Contact

Questions or comments may be directed via email to OA, IT Policy.

7. Exception from Policy

In the event an agency chooses to seek an exception from this policy, a request for a policy exception shall be submitted via the IT policy exception process. Refer to *IT Policy Governance Policy* for guidance.
